

## VISION 2020 - RESPONDING

You have heard all about the vision (if you have missed any of the talks you can listen to them via the website), and I hope that you feel fired-up to play your part in making it all a reality. If God has laid something on your heart, here is your chance to respond. You can do this by ticking next to ministries you may be called to and bringing this part of the hand-out back next Sunday and presenting it with any harvest offerings. A member of staff will then contact you.

Name: \_\_\_\_\_

Congregation I usually attend: \_\_\_\_\_

Contact email (if not on the database): \_\_\_\_\_

**Giving.** If you are not giving regularly then perhaps now is a chance to put this right and set up some regular monthly giving. If you are already giving then please do prayerfully consider increasing your giving – at least in line with inflation but hopefully above that (we should be doing this annually). You can also agree to give a specific amount to support the vision. In all cases, a Giving Form can be used to effect this. Downloadable under Giving on the website.

**Time & Talents.** Under the 3 Vision headings below are different ways that you can be involved. Many of you will already be involved so unless the Lord is nudging you in a different direction – or asking you to commit something else - then you could ignore this section. Those in bold are a priority need. Tick or circle.

### **Worshipping God**

Playing an instrument in one of the bands  
Singing  
Reading the Lesson  
*Helping with the Sound (PA) 9.30 & 6pm*  
*Helping with the presentation software(AV) 9.30 & 6pm*
