

Rector: Will Pearson-Gee

I give thanks for a successful two weeks in Switzerland on my annual chaplaincy and for a very fruitful two days at the HTB Network Summit Conference that inspired the whole team.

Now we are back in what feels like a frenzy of planning and more than ever need to rely on God to empower us.

Please pray for the General Synod that meets next week: The PLF/LLF juggernaut has been stopped but the battle is far from over.

I am away for the last week in February on a SOMA mission to two Inuit communities deep in the far Northwest of Canada. **Please pray for** a fruitful time there as I detox and reset after a week at General Synod.

Please also pray for our planning for the 'Love Buckingham' Wycliffe Mission 15th -22nd March.

On a personal note, **please pray** protection over The Rectory and for Lucia as she cares for her mother (and juggles everything else!).

Associate Minister for Pastoral Care: Jo Wigley

Praise God for:

- our wonderful safeguarding team, the prayer ministry team and all those who get alongside others to disciple and mentor them.
- his protection in our times of vulnerability and for placing people around us to support and encourage us.

Please pray for:

- those bereaved and suffering loss, ask God to strengthen and comfort them in their time of needs.
- Christian marriages, for family relationships and friendships.
- those with failing health, the lonely and those suffering with from mental and physical illnesses that restrict their day to day lives.

Connect Groups Ministry Leaders: Phil & Gill Blackledge

Thank God for all our group leaders and their faithfulness as they support, love and nurture those in their groups.

Thank God for new people asking to join groups - we have had six people in the last month. Please pray they settle in well to their new groups.

Please pray for: a planned new initiative to equip potential new connect group leaders and those who will be facilitating this process.

Youth and Student Team Leader: Sam Graham

Please thank God for:

- a large and growing number of new university students attending BPC.
- a great start to the year with lots of spiritual hunger.

Please pray for:

- wisdom as we press forward into what God is calling us to do this year.

Worship: Sam Graham

Please give thanks for:

- blessed worship across all of our congregations.

Please pray for:

- God to highlight our job application to the right people.

BPC Children & Families' Team Leader: Lucia Pearson-Gee

Please give thanks for:

- a great start to the year.
 - all the Kids and Ark volunteers team stepping up and in while I was away.
 - the miracle of getting away to Switzerland and Mum's care put in place.
 - an inspiring HTB Summit and a renewed passion for kids ministry!
- [continued overleaf]

Please pray for:

- unity on pulling together a primary school kids weekly Messy Church group as Lighthouse without adults/carers. Pray also that parents will be on board and for enough interest and enough volunteers for the ratio balance.
- more male kids group volunteers for Sunday 11am service.
- wisdom over SEN kids provision and the use of the Tower Room on Sunday mornings.
- vision/training for the kids volunteers to be put in place and for us to grow as a team and the work we are already doing.

Prayer Ministry Team: Chris and Cherryl Murray

Please thank God for:

- the privilege of being able to pray regularly, in church, for those who seek this ministry.
- congregations continuing to grow (PTL) and more people coming for prayer at all services.

Please pray for:

- more to join the team, especially for the 11am, and for more of God's healing power.
- testimonies re answered prayer for anything that has been prayed for, not just healing, though we certainly need these, to bring glory to God, and to encourage the shy and the sceptical to take a step of faith.
